SAC: 341087
State: IL
Name: Viola Home Telephone Company

Viola Home Telephone Company offers Lifeline service to qualifying subscribers.

- Qualifying subscribers receive a monthly Lifeline credit of \$9.25 against the regular monthly rate for residential local telephone service, or qualifying broadband service, under the terms and conditions of the federal Low Income program as may be modified from time to time in Orders released by the FCC's Wireline Competition Bureau (Bureau). This benefit is limited to one per qualifying household, and for service received from a single provider.
- If a Lifeline benefit is sought via the company's voice offering, the service provided meets these criteria:
 - Number of Local Minutes/Calls Provided: Unlimited local calling.
 - Additional Charges for Toll Calls: Toll calls and services for Lifeline subscribers are available and are billed at carriers' standard rates.
 - Access to repair and emergency services are provided.
 - Access to touch tone capability is provided, in the same manner as for regular customers.

Federal program eligibility for Lifeline service must be confirmed before the credit is issued. All subscribers must be recertified at least once each year.

In May 2016, the Federal Communications Commission made many changes to the Lifeline program and added broadband internet access service to the list of subsidized services. However, these changes did not become effective until December 2, 2016.

The company implemented the required changes in the Lifeline program that became effective on December 2, 2016, pursuant to the Bureau's *2016 Lifeline Modernization Order in WC Docket No. 11-42*. These included updated some rules for customer eligibility and recertification, the list of qualifying programs and made adjustments on the portability of the Lifeline benefit

Lifeline is a federal government program that assists qualified applicants by providing a monthly credit on either one telephone service (home or wireless) or one internet service (home or mobile) per qualified household. Customers will have to choose whether to obtain federally subsidized service from a telephone or broadband provider. Households currently receiving more than one Lifeline service must select a single Lifeline service provider and de-enroll from the program with any other provider(s).

The rules for demonstrating eligibility for Lifeline have also changed. Households may continue to verify eligibility through proof of participation in Medicaid, the Supplemental Nutrition Assistance Program (SNAP or food stamps), Supplemental Security Income Program (SSI), Federal Public Housing Assistance Program, or Veteran's Pension or Survivor Benefits. Consumers may also qualify if they can provide proof of income below 135 percent of the federal poverty level. Participation in the Low-Income Home Energy Assistance Program (LIHEAP), Temporary Assistance to Needy Families Program, or the National School Lunch Programs will *no longer* be accepted as proof of eligibility, beginning December 2, 2016.

Additional Terms & Conditions:

- Lifeline service shall not be disconnected for non-payment of toll charges.
- Qualifying low-income subscribers who voluntarily elect toll blocking, where available, will not be required to pay a service deposit in order to initiate Lifeline Service. This service will only be provided at the customer's request.
- Qualifying Lifeline customers will not be charged a monthly number-portability charge.
- Annual verification, either through the Department of Human Services or, in lieu of electronic verification, applicants will sign the form contained in Illinois Administrative Code Part 757 Exhibit E, as proof of their income eligibility.

If a Lifeline benefit is sought via the company's voice offering, the service provided meets these notable criteria, among those of the federal program:

- Number of free Local Minutes/Calls provided under the federal program
- Additional Charges for Toll Calls: Toll calls and services for Lifeline subscribers are available and are billed at carriers' standard rates.
- Access to repair and emergency services are provided
- Access to touch tone capability is provided, in the same manner as for regular customers.

As of December 2, 2016, the minimum standards set by the FCC are as follows:

- Landline: Unlimited local calling
- Wireless voice service: 500 free minutes
- Wireless broadband: 500 megabytes (MB) of data
